

Advances & Challenges in Label-Free Technologies for Drug Discovery

November 2 - 3, 2009

San Diego Marriott Mission Valley, CA, USA

Special exhibit opportunity for friends of

SBS symposia give you the best of both worlds –
great science and great business.

Join SBS for a two-day symposium...

that will explore the latest scientific and technological advances in label-free technologies, demonstrating their value in characterizing new therapeutic targets.

Exhibit with SBS and **expect to:**

- **Gain quality leads**, not quantity “hopefuls”
- **Get ahead** of unreturned emails and phone tag – engage prospects in person
- **Listen & learn:** attend sessions and explore the challenges scientists face
- **Enhance branding as a solution-provider** to scientists tackling one of the most timely topics in drug discovery today:
label-free technologies

Explore your options

Access the scientific program and download the *Exhibitor Prospectus* (PDF) at www.sbsonline.org/labelfree/.

Learn more about exhibiting with SBS by contacting **Elizabeth Davis**, Manager of Exhibits & Sponsorship, by emailing edavis@sbsonline.org or by phoning +1 (703) 964-1240, ext. 11.

Save on exhibiting

The standard table-top package for this meeting is \$1,695. Through a special partnership with SDBN, **you can save \$200 on your table-top package.**

Take advantage of this reduced rate by following these instructions:

- Please go to www.sbsonline.org/labelfree/ and click on **Exhibitors** in the left hand margin
- Next, click on **On-line Exhibitor Registration and Booth Staff Assignment**
- Complete the registration details as requested. Next to the exhibitor table-top fee, a **code field** appears. Enter **SDBNEXH** in the **coupon field**.
- Should you require assistance, please contact Elizabeth Davis by emailing edavis@sbsonline.org or by phoning +1 (703) 964-1240, ext. 11.
