

# Advances & Challenges in Label-Free Technologies for Drug Discovery

November 2 - 3, 2009 • San Diego, CA, USA

An invitation for colleagues & friends of

## Join SBS and Corning for a two-day symposium...

that will explore the latest scientific and technological advances in label-free technologies, demonstrating their value in characterizing new therapeutic targets.

### Scientific sessions include:

- Chemical Compounds & Therapeutic Targets
- Antibodies, Cells, Biopharmaceuticals & Biomarkers
- Systems Biology
- Technologies

### Top-notch presenters including:

- **Keynote** *Manfred Auer, Ph.D.* – University of Edinburgh, Scotland
- **Keynote** *Michael I. Recht, Ph.D.* – Palo Alto Research Center, USA

### Come away with...

- a strong understanding of how **label-free technologies** can address your most challenging applications
- knowledge of **how to make the best use of label-free** in your every day work processes
- an **expanded network** of drug-discovery leaders
- a **new perspective** on the technologies available to enhance your research

### Learning made affordable

Through a special partnership, as friend of SDBN, you **save \$100 on your SBS symposium registration.**\*

#### Registration Instructions

- Please go to [www.sbsonline.org/labelfree/](http://www.sbsonline.org/labelfree/) and click on **Registration** in the left hand margin
- Choose to either download the Registration Form (PDF) or proceed with online registration
- For online registration, select the **Full-Symposium Non-Member** type and enter the code **SDBNLFN** in the **coupon field**. Complete the registration details as requested.
- Should you require assistance, please contact **Trish Sexauer** by emailing [tsexauer@sbsonline.org](mailto:tsexauer@sbsonline.org) or by phoning +1 (703) 964-1240, ext. 26

### Friends of SDBN save

SBS Registration Type	Regular
Student	\$55
Government/Academic	\$195
SBS Member	\$495
Non-Member	<del>\$595</del> \$495

\*This discount applies to the SBS Full Symposium Non-Member registration type only. The Government/Academics (\$195) and Student (\$55) registration rates are already reduced.

### Keep connected...

The SBS web site, [www.sbsonline.org/labelfree/](http://www.sbsonline.org/labelfree/), is your resource for more details.
